Town of Parry Sound  
52 Seguin St.  
Parry Sound ON P2A 1B4

Taylor Elgie:

**RE: Recommendations on Site Plan for 11 Ansley Street Townhouse Development**

The members of the Parry Sound Area Active Transportation committee put forward the following recommendations regarding the site plan for the townhouse development on Ansley Road:

- We are pleased to see active transportation facilities included in the plans, such as the bicycle rack for cyclists and the mulch path for pedestrians. We would suggest that the proposed mulch path be converted to a standard 1.5 metre-wide sidewalk to facilitate year-round pedestrian use.
- Regarding the path on the northeast corner, there is no indication as to where it leads. We would suggest ensuring this path connects with an adjacent community pedestrian route, for example a route that facilitates active travel to Parry Sound Public School.

The Committee is grateful to have the opportunity to provide input on this Site Plan and appreciates the Town of Parry Sound's continued support towards our joint effort to develop an environment that supports healthy, active living for all residents of Parry Sound. Your attention to these recommendations is greatly appreciated.

Sincerely,

A handwritten signature in cursive script that reads "Wendall Fisher".

Wendall Fisher, Chair  
Parry Sound Area Active Transportation Committee
