Mayor David Conn and Council  
Township of Seguin  
5 Humphrey Drive  
Seguin, Ontario

Dear Mayor Conn and Council:

Parry Sound Area Active Transportation is fully in support of the efforts of Pamela Nelson and Heather Fisher to have sidewalks installed in your municipality in the area around Humphrey School.

Our mission is to make biking, walking and wheeling so safe, convenient and fun that people choose clean active modes of travel and recreation more often. One way to help people make this choice is to provide sidewalks.

We are the advocates for the building and maintenance of active transportation infrastructure in our area and we are pleased to offer our support for this initiative.

Sincerely yours,

A handwritten signature in cursive script that reads "Wendall Fisher".
