**can
BIKE** 

canbikecanada.ca

Ages 16+

Sign up for CAN-BIKE and help create a cycling culture! By applying CAN-BIKE principles, cyclists help:

- ✓ Raise the profile of cycling in our community
- ✓ Gain respect and consideration from motorists
- ✓ Make our streets safer for all users

Through classroom, outdoor, and on-road sessions, participants will develop skills that promote assertive, safe, and responsible cycling behaviour. The course teaches defensive riding skills, traffic analysis, and collision avoidance techniques.

Discovery Routes
There's no end to our trails

Courses are organized throughout Nipissing and Parry Sound by Discovery Routes Trails Organization. Visit cyclingeducation.discoveryroutes.ca to find out what other courses are available in the area.
