Taylor Elgie, Planner
Town of Parry Sound
52 Seguin St.,
Parry Sound ON P2A 1B4

Taylor Elgie:

RE: Recommendations on Site Plan for Proposed Restaurant/Brew Pub on Great North Road

The members of the Parry Sound Area Active Transportation Committee put forward the following recommendations regarding the Site Plan for the development of a new restaurant/brew pub on Great North Road. We believe these recommendations will help support and promote a culture of healthy, active living in Parry Sound:

- That there be clear site lines for both entrances off Great North Road especially in the areas where these entrances cross the fitness trail
- That warning signs be posted at both entrances off/to Great North Road that motorists will be crossing an active fitness trail. We would also recommend that, for users of the fitness trail, warning signs be posted along the fitness trail with respect to the entry/exit of motor vehicles going to/from the Brew Pub
- That there be accommodation for bicycles in a prominent location at the Brew Pub
- That a walking path be clearly delineated on the parking lot pavement to safely accommodate those who may be walking to/from the Brew Pub from the fitness trail.

The Committee is grateful to have the opportunity to provide input on this Site Plan and appreciates the Town of Parry Sound's continued support towards our joint effort to develop an environment that supports healthy, active living for all residents of Parry Sound. Your attention to these recommendations is greatly appreciated.

Sincerely,

Wendall Fisher, Chair
Parry Sound Area Active Transportation Committee
