Town of Parry Sound  
52 Seguin Street  
Parry Sound, Ontario

Dear Mayor McGarvey and Council:

On behalf of Parry Sound Area Active Transportation I would like to extend congratulations and appreciation for the municipality's action at the most recent council meeting to proceed with the Municipality of McDougall in a joint application for funding under the Canada 150 Community Infrastructure Program to complete a trail link between Parry Sound and Nobel Road in McDougall. This is an important step in building trail linkages between our area municipalities and supporting active/healthy living by building active transportation infrastructure. It also has the added benefit of promoting our area as a cycling and hiking destination in our province.

We realize that the portion of the proposed trail between Nobel Road and Kinsmen Park may not be built at this time but we are ready to assist in any way possible to make this vital connection a reality in the near future.

Sincerely yours,
