Parry Sound ON P2A 1B4

Taylor Elgie:

RE: Recommendations for Site Plan Application – 82 Gibson Street

The members of the Parry Sound Area Active Transportation committee put forward the following recommendations regarding the site plan for the 10 unit building located at 82 Gibson Street:

- We are pleased to see active transportation facilities included in the plans, such as the bicycle rack for cyclists and the sidewalk for pedestrians. We would suggest that the proposed sidewalk structure that appears to end near the bicycle rack be extended to ensure connectivity with the apartment building.
- We are pleased to see mention of bike lanes in item 6 on the Development Agreement Checklist, but we do not see bike lanes or routes reflected in the plans.

The Committee is grateful to have the opportunity to provide input on this Site Plan and appreciates the Town of Parry Sound's continued support towards our joint effort to develop an environment that supports healthy, active living for all residents of Parry Sound. Your attention to these recommendations is greatly appreciated.

Sincerely,

A handwritten signature in cursive script that reads 'Wendall Fisher'.

Wendall Fisher, Chair
Parry Sound Area Active Transportation Committee
