Mayor Robinson and Council  
Municipality of McDougall  
5 Barager Boulevard  
McDougall, Ontario  
P2A2W9

Dear Mayor Robinson and Council:

On behalf of Parry Sound Area Active Transportation I would like to extend our appreciation for your municipality's action on the development of "Wink's Link."

In February 2017, Wendall sent thanks on behalf of our group for the municipality's completion of a trail link between Nobel Road and the Town of Parry Sound. Since then, the Town of Parry Sound has completed the final portion and the trail was officially opened. We were glad to see such a great turnout at the sign unveiling, and appreciated Mayor Robinson's words.

We believe Wink's Link is a wonderful way to commemorate Wendall's steadfast leadership about safe and active transportation for all ages. We look forward to continuing to work together to improve the year-round walk- and bike-friendliness of Parry Sound area.

Sincerely yours,
