Mayor McGarvey and Council
Town of Parry Sound
52 Seguin Street
Parry Sound, ON
P2A 1B4

Dear Mayor McGarvey and Council:

On behalf of Parry Sound Area Active Transportation I would like to extend appreciation for the municipality's snow removal efforts this year.

Winter maintenance of walking and cycling routes can significantly improve active transportation conditions in our community. Keeping sidewalks clear of snow and ice enables residents to walk throughout town safely. We feel the municipality is doing a good job of reducing winter walking hazards, especially given the challenges of extreme weather and frequent freeze/thaw cycles.

We appreciate the Town of Parry Sound's ongoing commitment to promoting healthy transportation options by improving the year-round walk- and bike-friendliness of our town and protecting vulnerable road users.

Sincerely yours,
